Rainbow of Facilitation

Facilitation is as multi-faceted as a multi-coloured rainbow!

3 reasons for you to be at Orchid Country Club on 12 – 13 Nov 2008!

1. Learn current best practices, concepts, processes & tools from experts in the field.
2. Network with professionals & like-minded practitioners.
3. Experience the powerful potential facilitation can offer industry, social enterprises and communities.

Surprises for everyone – 5 tracks!

1. Learning Organisation
2. Experiential Learning
3. Group Process Facilitation
4. Facilitative Training/Teaching
5. Spirit of Facilitation

Processes, methods, tools & techniques to take away!

- Large Group Facilitation methods and techniques - *StoryWeaving, Appreciative Inquiry, World Café & Open Space*
- Learning Organisation Principles- *nature of humanity and generative conversations*
- Experiential Learning - *indoor strategy management board game*
- Group Process Facilitation - *transformational facilitation and visualising the service landscape*
- Facilitative Training/Teaching - *inquiry & problem-based learning, ingenuity*
- Spirit of Facilitation - *metaphors, poetry, reflections and coloured brains*
